Subject: Sewage Spill Tega Cay

I understand that there was a 3rd spill off Marquesas again last night. I live in the cove and I am very tired of the water company dumping raw sewage into the lake in my back year. I pay more that double for water here than at any other southeast city I have ever lived in. I have also had a spill out of the manhole in my own backyard. The rates are crazy and the service is dangerous and less than adequate. DO SOMETHING ABOUT THIS PLEASE!!!!
